PROJECTED STUDENT TEACHING SEMESTER _____

ENDORSEMENT TO TEACH MATHEMATICS 6-12

For licensure to teach mathematics in grades 6-12, the student must complete the bachelor of science degree with a major in mathematics. The program is designed to align with the competencies in the Virginia Standards of Learning.

Bluefield College's Teacher Education Program, which is designed to prepare competent, caring, and qualified teachers who are reflective practitioners, is granted Accreditation by the Teacher Education Accreditation Council (TEAC) for a period of five years, from December 11, 2009 to December 11, 2014. This accreditation certifies that the forenamed professional education program has provided evidence that the program adheres to TEAC's quality principles.
