## INTRODUCTION

Bluefield College welcomes transfer students from community and junior colleges as well as from four-year institutions. We strive to accept students for admission who will benefit from a personalized Christian liberal arts education. All applications are treated on a rolling basis, and every attempt is made to notify the applicant of his or her acceptance status as soon as the application process is complete. No single criterion will be decisive, but each item will be considered in relation to the applicant's total qualifications. All selections are made without reference to race, religion, color, creed, sex or national origin. Students are encouraged to schedule an appointment with an admissions representative for a tour of the campus. To assist students who are considering a transfer to Bluefield College, we summarize in this booklet the college's policies concerning the transfer applicant. This booklet includes Bluefield College equivalents for Virginia Community College System courses. Students considering transfer from other institutions should contact the Office of Enrollment Management at 1-800-872-0175 or 276-326-4231.

## TABLE OF CONTENTS

**Introduction**

**Course Comparisons**

## Evaluation of Transfer Credit

An evaluation of transfer credit will be completed by the Registrar who works in conjunction with faculty to determine which courses will apply toward the student's degree program. A minimum of one-year enrollment (full or parttime) and the completion of 32 semester hours (including at least 12 hours within the major) is required for all degrees.

Bluefield College reserves the right to evaluate all transfer credits in terms of its own institutional standards. Credit hours transferred are used toward fulfilling graduation requirements. Quality point requirements for graduation are based only upon work completed at Bluefield College. Please see the Transfer Credit section in the Academic portion of the catalog for additional transfer information (see p. 66).

### *Transfer Credit from Two Year Institutions*

Up to sixty-eight (68) semester hours of work will be accepted from a two-year accredited institution toward a four-year degree at Bluefield College. A maximum of nine (9) semester hours of course work with "D" grades may be transferred. "D's" will not be accepted for transfer in major or minor areas. "D's" will not be accepted for transfer in Teacher Education programs.

### *Articulation Agreements*

Bluefield College has an articulation agreement with the Virginia Community College System. Under the terms of this agreement, students who graduate from Virginia community colleges in designated Associate of Arts and Sciences degree programs and have achieved a G.P.A. of at least 2.5 in their academic work are eligible for automatic acceptance upon completion of the application procedures for Bluefield College.

Bluefield College has an articulation agreement with Richard Bland College of The College of William and Mary. Under the terms of this agreement, students who graduate from Richard Bland College with an Associate of Arts or Associate of Sciences degree and have achieved a G.P.A. of at least 2.5 in their academic work are guaranteed admission upon completion of the application procedures for Bluefield College.

Bluefield College has an articulation agreement with the Kentucky Community and Technical College System. Under the terms of this agreement, students who graduate from KCTCS with an Associate in Applied Science degree (AAS), have achieved an unencumbered Registered Nurse license, and have earned a KCTCS cumulative G.P.A. of at least 2.5 in their academic work, are guaranteed admission upon completion of the BC online application and submission of

official transcripts for all academic work.

*2 + 2 Agreement with the Appalachian TriCollege Nursing Program (Mountain Empire, Southwest Virginia Community College and Virginia Highlands Community College) for the RN-BSN degree*

Any student who has completed an associate degree in Nursing from the Appalachian TriCollege Nursing program and holds a nursing license may enter the collaborative program. The total number of transferable credit hours accepted could be 94 if general education requirements are completed at the community college in addition to those required for the AAS degree. The schedule for the delivery of courses will be determined based upon student demand, but will be provided in face to face and online formats for students living in Abingdon, Big Stone Gap, Grundy and Tazewell, Virginia.

*3+3 Agreement with the Appalachian College of Pharmacy*

Bluefield College has an articulation agreement with the Appalachian College of Pharmacy (ACP). Under the terms of this agreement, students who have completed all 83 hours of pre-pharmacy studies outlined in the BC/ACP agreement and obtained a “C” or better in all prerequisites and a G.P.A. of at least a 2.5 will be given priority admission into ACP’s three- year doctor of pharmacy degree program.

*Guaranteed and Early Acceptance Programs with Edward Via College of Osteopathic Medicine*

Bluefield College has an articulation agreement with the Edward Via College of Osteopathic Medicine (VCOM). Under the terms of this agreement, students who have completed all VCOM admission requirements, prerequisite courses, have a science and overall GPA of 3.4 (guaranteed acceptance) or 3.5 (early acceptance), have sufficient SAT, ACT, or MCAT scores, have completed 100 hours of health care volunteerism and 100 hours of community volunteerism and meet any other requirements outlined in the agreement may be granted guaranteed or early acceptance into the osteopathic medical college.

*Transfer Credit from Four-Year Institutions*

A student who has attended another accredited four-year institution and is in good standing may apply for admission to the college no later than the beginning of the senior year. “D’s” will not be accepted for transfer in major or minor areas. “D’s” will not be accepted for transfer in Teacher Education programs. A minimum of thirty-two (32) semester hours, including at least twelve (12) semester hours within the major, must be completed at Bluefield College.

*Miscellaneous Transfer Credit*

Bluefield College also awards credit for the following areas:

1. Advanced Placement and International Baccalaureate Programs (see p. 64).
2. College Level Examination Program (CLEP) or Dantes Subject Standardized Test (DSST) Examinations (see p. 65). Bluefield College is an approved CLEP/DSST testing site.
3. Military Credit (see p. 65).

## COURSE COMPARISONS

The following sections show Bluefield College equivalents for Virginia Community College System courses. Students are encouraged to consult the Registrar to determine the requirements for a particular major.
