The Rev. Dr. David M. Armbrister Memorial Scholarship was established in 2020 thanks to the generosity of dozens of alumni and friends who partnered with Bluefield University to perpetually remember the late David M. Armbrister ('54), who passed away in June 2020. Dr. Armbrister was a history professor, a mentor, and a classmate. He served 32 years as faculty at Bluefield University, and he earned the highest rank of Faculty Emeritus in 2009, along with the distinction of receiving an honorary doctorate from the University. Countless stories have been told of Dr. Armbrister's kindness, gentleness, and dedication to his students. He was truly a man of God. Dr. Armbrister left quite a legacy at Bluefield University through his writing and through the love he had for his students, colleagues, and classmates.
